

Karrie Dziuk

Ms. Dziuk began her real estate career in 1992 within the multi-family industry. She served as branch manager with Capital Commercial Consultants, LC, a regional real estate investment and brokerage firm specializing in multi-family investment sales. Ms. Dziuk's duties at CCC included all aspects of marketing, research and data management. She was responsible for coordination of a San Antonio multi-family market survey for use in a quarterly brochure, as well as, an annual analysis of commercial comparable sales for the San Antonio multi-family market. As branch manager, she was responsible for administration, marketing and accounting. During that time, Ms. Dziuk engaged in accounting and management with Apartment Asset Management where she was responsible for five multi-family complexes.

In 1999, Ms. Dziuk joined Sullivan as office manager of Sullivan Commercial Realty, a commercial real estate brokerage firm specializing in brokerage, management, consulting and investment, where she entered into the asset management and development industry as well. Her duties include marketing, administration, accounting, asset management and development supervision. She also assists in the property management division. Karrie brings to Sullivan Commercial Realty 17+ years of real estate experience, diverse skill sets and extensive knowledge of multiple industries within commercial real estate.
